30 Day Money Back Guarantee applies to the Miele range of washing machines and tumble dryers.
This period takes effect from the time of customer delivery.

Washing machines: 10 year quality assurance against the breakdown of the drum, outer tub, axle and bearings, brushless motor, and a lifetime quality assurance on the door hinge, corrosion and the yellowing of the enamelled outer panels.

Tumble dryers: 10 year quality assurance against the breakdown of the stainless steel drum, motor and lifters. Includes quality assurance against corrosion and the yellowing of the enamelled outer panels.

Miele Quality Pledges are additional to the manufacturer's warranty (2 years) and cover the cost of parts and labour for items detailed in the pledge. They are subject to our standard fair usage terms and assume that appropriate care and maintenance has been undertaken by the customer. Accidental damage, non-adherence to prescribed maintenance or installation as per the instruction manual and or negligence on the part of the customer immediately render Quality Pledges void.

Con@ctivity 3.0: Controlling your rangehood via the cooktop below.

With Con@ctivity 3.0, your rangehood always knows exactly what to do. As soon as the cooktop is switched on or off, the rangehood responds automatically. The extraction power is automatically adjusted to what is happening on the cooktop, ensuring a pleasant room climate at all times. The appliances communicate with each other via WiFi. Con@ctivity 3.0 allows you to integrate the rangehood and cooktop into Miele@home.
