WYN system is an indirect luminaire with continuous illumination that features high output, 2-watt, colour changing LED, and is available in surface mounted, recessed and trimless plaster models. WYN can produce true white light in warm or cool colour temperatures to mimic natural daylight, or colour change to create visual interest and simulate mood.

White LED colour temperature is 3000 kelvin (higher & lower colour temperatures are available upon request). Maximum run 270mm before additional feed is required.

PRECINCT

Dear Resident,

Who do you talk to when you're nearing settlement or about to move in and you need all services in one place, at one time, for the best value?

Active Utilities has worked closely with your Developer to create a residential development with state of the art energy & telecommunication solutions. We are proud to be a part of this landmark development and are excited to be able to offer some exclusive incentives to **Precinct** residents.

With Active Utilities bulk buying power, all Precinct residents can benefit with:

- **Savings on Electricity**
- **Savings on internet and landline packages**
- **Fast connection speeds**
- **Ease of use**
- **One source/one bill**

As an Active Utilities customer you will enjoy fast professional service, reliability and connectivity when you need it. Strong relationships with leading technology suppliers and partners also means you benefit from:

- **Online account management with access to current and past billing details**
- **Responsive and personalised customer care without hassle**
- **Express connection and disconnection**
- **24/7 helpdesk support**
- **State of the art technology**

Take a look at the money-saving plans we've included here.

For more information on our pricing, current plans and site utility availability, simply contact us on **1300 587 623**. Or, using your unique *Discount Code* **AUPR5895** complete an online application via **activeutilities.com.au** to access your total home utility solution.

We look forward to helping you choose a plan in the near future.

Sincerely,

A handwritten signature in black ink, appearing to read "Mick Dovile".

Mick Dovile
Operations Manager

Who gives you great savings on electricity, internet and voice package deals, with no lock-in contracts?

Active Resi Electricity

Want to make some serious savings, simply combine your electricity account with any of our internet and voice package plans and receive a further 5% off the package price.

or

Sign up to an Active Utilities internet, voice or electricity plan individually.

ENGLISH:

What it means to have your Electricity delivered through a Private Network

Welcome to your private Electricity Network delivered by Active Utilities. In conjunction with your building owner or manager, we have installed a private Network in your building allowing us to offer you heavily discounted electricity rates through the power of bulk buying. We offer our customers a minimum of 10% discount off the local published tariff for the area and connection is completed much quicker than normal as we control the process, unlike a regular retailer.

We are so confident in our pricing and service we do not require you to sign a contract. You are free to explore and compare our competitors if you choose. Sign up is very simple and ongoing payments are done via direct debit from your nominated bank account, so it is one less bill to worry about in managing your household or business expenses.

Get your Electricity connected in 3 easy steps;

1. Log onto the Active Utilities website (www.activeutilities.com.au),
2. Complete the online registration, complete all fields to avoid delay in connection; and
3. Wait for your confirmation from us on a day and time we will connect you.

It is that easy! We look forward to providing and managing your ongoing electricity needs in the future.

For more information please visit our website or contact us on 1300 587 623.

CHINESE (SIMPLIFIED):

通过专用网络提供电力意味着什么

欢迎您使用由Active Utilities公司提供的私人专用电力网络。我们协同您的业主或经理一起在您居住的大楼中安装了一个专用网络，这使我们能够通过大宗购买的能力为您提供大幅折扣后的电费价格。我们在当地公布的税率基础上至少再给客户id提供10%的折扣，而且不同于一般的零售商，我们会比正常速度更快地完成接电工作，因为我们会控制整个流程操作。

我们对我们的定价和服务非常有信心，并且我们不要求您签署任何合同。如果您选择探寻和比较我们的竞争对手的情况，您尽可自由地去做。注册非常简单，而接下来的付款会通过直接扣款的方式从您指定的银行账户中扣除，因此您在管理您的家庭或企业支出的时候又可以少担心一份账单了。

只需3个简单步骤，即可完成接电；

1. 登录Active Utilities公司网站 (www.activeutilities.com.au),
2. 完成网上注册，确保填写所有信息以避免延误接电；然后
3. 等待我们和您确认将您接入电网的日期和时间。

就是这么简单！我们期待着未来能为您提供电力并为您管理持续的用电需求

想要了解更多信息，请访问我们的网站或致电1300 587 623联系我们。

KOREAN:

사설망(Private Network)을 통한 전기공급에 대한 정보

Active Utilities 가 공급하는 사설 전기 네트워크에 오신 것을 환영합니다. 본사는 여러분이 거주하시는 건물의 소유주 또는 매니저와 협조하여 해당 건물에 사설 전기 네트워크를 설치하였으며 이와 같은 대량구매의 혜택을 통해 여러분에게 대폭 할인된 요금으로 전기를 공급해 드릴 수 있게 되었습니다. 저희는 해당 지역에 공시된 전기요금의 최소 10% 를 할인해드리며, 일반 전기공급업체와 달리 저희가 연결과정을 직접 관장하므로 훨씬 더 신속하게 전기를 연결해 드립니다.

저희는 요금 및 서비스에 있어서 월등하다고 자신하므로, 고객들은 계약서에 서명하실 필요가 없습니다. 따라서 여러분은 자유롭게 다른 경쟁사들의 서비스에 대해 알아보시거나 비교해보실 수 있습니다. 가입 절차는 매우 간단하며, 전기요금지불은 고객이 지정하는 은행계좌로부터 자동이체되기 때문에 생활비 또는 사업경비 관리를 더욱 간편하게 해드립니다.

다음과 같이 간단한 세 단계를 거치면 전기가 연결됩니다;

1. Active Utilities 웹사이트 (www.activeutilities.com.au) 에 로그인하세요
2. 온라인 등록(online registration)에서 모든 항목을 빠짐없이 기입하세요 (그렇지 않으면 연결이 지연될 수 있습니다), 그리고
3. 전기가 연결될 날짜와 시간을 저희쪽에서 확인해드릴 때까지 기다리시면 됩니다.

연결 절차는 이렇게 간단합니다! 저희는 아무쪼록 가까운 장래에 여러분의 전기 공급과 관리를 맡게 되기를 기대합니다.

더 자세한 정보를 원하시면 본사 웹사이트를 참조하시거나1300 587 623 번으로 전화주세요.

ARABIC:

مرحباً بك في شبكة القطاع الخاص لتجهيز الكهرباء عن Active Utilities. بالتعاون مع مالك بنايتك طريق اكتف يونتلتيز

أولاً المشرف عليها، قمنا بتركيب شبكة خاصة في بنايتك والتي ستسمح لنا بتقديم عروض تخفيضات كبيرة في أسعار الكهرباء من خلال قوة الشراء بالجملة. نقوم بتقديم تخفيضات لربائنا بمقدار 10% من التعريفة المحلية المعلنة في المنطقة كحد أدنى، و يتم إكمال التوصيل بصورة أسرع من التوصيل العادي لأننا نتحكم بالعملية خلافاً للمجهز المعهود.

نحن على ثقة تامة بأسعارنا و خدمتنا لأننا لا نطلب منك توقيع أي عقد. لديك الحرية التامة في استكشاف ومقارنة منافسينا إذا ما رغبت بذلك. الاشتراك بسيط جداً و يتم دفع الفاتورات عن طريق الخصم المباشر من الحساب المصرفي المشخص من قبلك، وهكذا تتخلص من فاتورة إضافية في إدارة مصروفات بيتك أو مصلحتك التجارية.

قم بتوصيل الكهرباء لنفسك بثلاث خطوات بسيطة؛

1. سجل دخولك الى موقع الشبكة التابع لـ اكتف يونتلتيز Active Utilities (www.activeutilities.com.au)
2. أكمل التسجيل على الشبكة، أكمل جميع الحقول لتجنب التأخير في التوصيل؛ و
3. انتظر استلام استمارة التثبيت من عندنا بخصوص اليوم و الوقت الذي نوصلك فيه.

وهكذا الأمر بسيط للغاية! نتطلع الى تجهيزك و إدارة احتياجاتك المستمرة للقوة الكهربائية في المستقبل.

للحصول على المزيد من المعلومات قم بزيارة موقعنا أو اتصل بنا على الرقم 1300 587 623.

HINDI

किसी प्राइवेट नेटवर्क के द्वारा आपको इलेक्ट्रिसिटी (बिजली) उपलब्ध कराए जाने का क्या अर्थ होता है

Active Utilities के द्वारा उपलब्ध कराए जाने वाले आपके प्राइवेट इलेक्ट्रिसिटी नेटवर्क पर आपका स्वागत है। आपकी बिल्डिंग के मालिक या मैनेजर के साथ संयोजन में, हमने आपकी बिल्डिंग में एक प्राइवेट नेटवर्क को स्थापित किया है जो कि थोक खरीद की क्षमता के द्वारा भारी छूट पर बिजली की दरों को आपको प्रदान करने हेतु हमें सक्षम बनाता है। हम अपने ग्राहकों को क्षेत्र के लिए स्थानीय तौर पर जारी टैरिफ (दर-सूची) पर कम से कम 10% की छूट देते हैं और क्योंकि प्रक्रिया का नियंत्रण किसी सामान्य रिटेलर के विपरीत हम स्वयं करते हैं, इसलिए कनेक्शन का कार्य आम-तौर पर लगने वाले समय से कहीं जल्दी समाप्त हो जाता है।

हम अपने मूल्य निर्धारण व सेवा को लेकर इतने आश्वस्त हैं कि हम आपके लिए किसी कांटेक्ट पर हस्ताक्षर करना अनिवार्य नहीं करते हैं। यदि आप चाहें तो आप स्वेच्छा से हमारे प्रतिस्पर्धियों के बारे में पता लगा सकते/सकती हैं और उनकी तुलना हमसे कर सकते/सकती हैं। साइन-अप करना बहुत आसान है और नियमित भुगतान आपकी नामांकित बैंक अकाउंट से डायरेक्ट डेबिट के द्वारा किए जाते हैं, लिहाजा अपने घरेलू या व्यापारिक खर्चों का प्रबंध करने को लेकर होने वाली चिंता में से आपको एक बिल की चिंता कम करनी पड़ेगी।

अपनी इलेक्ट्रिसिटी का कनेक्शन 3 आसान चरणों में प्राप्त करें:

1. Active Utilities की वेबसाइट (www.activeutilities.com.au) पर लॉग-इन करें,
2. ऑनलाइन रजिस्ट्रेशन पूरी करें, कनेक्शन में देरी न हो - इसके लिए सभी फ़िल्ड्स (प्रश्नों) को पूरा करें, और
3. हमसे प्रमाण प्राप्त होने की प्रतीक्षा करें जिसमें हम आपको कनेक्ट किए जाने के दिन व समय की सूचना देंगे।

यह इतना आसान है! हम भविष्य में आपकी नियमित इलेक्ट्रिसिटी (बिजली) की आवश्यकताओं को प्रदान करने व उनका प्रबंध करने की आशा करते हैं।

और अधिक जानकारी के लिए कृपया हमारी वेबसाइट देखें या हमें 1300 587 623 पर संपर्क करें।

FRENCH:

Approvisionnement d'électricité par un réseau privé: que cela signifie-t-il?

Bienvenue à votre réseau d'électricité privé, qui vous est fourni par Active Utilities. Nous avons installé dans votre immeuble, en collaboration avec votre propriétaire ou votre gérant, un réseau privé afin de vous proposer des tarifs d'électricité fortement réduits, grâce à notre pouvoir d'achat en grande quantité. Nous offrons à nos clients un minimum de 10% de réduction comparé au tarif local officiel dans votre coin et le raccordement se fait beaucoup plus rapidement que d'habitude car, à la différence des fournisseurs ordinaires, nous contrôlons la procédure de mise en service.

Nous sommes tellement sûrs de nos prix et de notre service que nous ne vous demandons pas de signer de contrat. Vous êtes libre d'étudier et de comparer nos concurrents si vous le désirez. S'abonner à notre service est extrêmement simple et les paiements se font par prélèvement automatique sur le compte en banque de votre choix, de telle sorte que cela représente une facture de moins à régler dans la gestion des dépenses de votre foyer ou de votre affaire.

Abonnez-vous à notre service en 3 étapes faciles :

1. Allez sur le site web de Active Utilities (www.activeutilities.com.au),
2. Remplissez les formulaires en ligne, en vous assurant de répondre à toutes les questions afin d'éviter tout retard dans votre raccordement; et
3. Attendez notre confirmation vous indiquant le jour et l'heure où nous allons vous connecter.

C'est aussi simple que ça! Nous espérons approvisionner et gérer à long terme vos besoins continus en électricité.

Pour tout renseignement supplémentaire, veuillez consulter notre site web ou contactez-nous au 1300 587 623.

GERMAN :

Was es für Sie bedeutet, Ihren Strom über ein privates Netz zu beziehen

Willkommen bei Ihrem von Active Utilities zur Verfügung gestellten privaten Stromnetz. In Verbindung mit dem Eigentümer oder Verwalter Ihres Hauses haben wir in Ihrem Gebäude ein privates Netz installiert, das es uns erlaubt, Ihnen dank der Vorteile des Großverkaufs stark reduzierte Strompreise anzubieten. Wir bieten unseren Kunden mindestens 10% Nachlass auf den veröffentlichten Ortstarif für Ihre Gegend, und der Anschluss wird viel schneller als gewöhnlich vorgenommen, da wir, anders als herkömmliche Anbieter, die Kontrolle über den Ablauf haben.

Wir haben soviel Vertrauen in unsere Preise und unseren Service, dass Sie keinen Vertrag mit uns unterschreiben müssen. Es steht Ihnen frei, sich umzusehen und Vergleiche mit unseren Konkurrenten anzustellen, wenn Sie wünschen. Es ist sehr einfach, sich bei uns anzumelden, und laufende Zahlungen werden direkt von dem von Ihnen nominierten Bankkonto abgebucht, so dass Sie sich bei Ihrer Haushalts- oder Geschäftsführung um eine Rechnung weniger Sorgen machen müssen.

Schließen Sie Ihren Strom in drei einfachen Schritten an:

1. Loggen Sie sich auf der Webseite von Active Utilities ein (www.activeutilities.com.au),
2. Füllen Sie das Online-Anmeldeformular aus, füllen Sie alle Felder aus, um eine Verzögerung beim Anschluss zu vermeiden; und
3. Warten Sie auf eine Nachricht von uns hinsichtlich des Datums und der Uhrzeit, zu der wir Ihren Strom anschließen.

Es geht wirklich so einfach! Wir freuen uns darauf, in Zukunft Ihren Bedarf an Strom zu decken und zu managen.

Für weitere Informationen besuchen Sie bitte unsere Webseite oder rufen Sie uns unter der Nummer 1300 587 623 an.
